Join the Slate Belt Community Partnership Regional  
Main Street Program

For a presentation of our goals and objectives to create  
a vibrant revival in the traditional downtown districts of  
Bangor, Pen Argyl, Portland & Wind Gap.

Through a series of planning sessions endorsed by the  
PA Dept. of Community & Economic Development we  
have developed a 5-year strategic plan for a revitalized  
and sustainable future. The public is cordially invited to  
review and comment on the plan.

The SBCP follows the Main Street 4-Point Approach  
to downtown revitalization. The SBCP is volunteer  
driven, drawing on the creative ideas of our businesses,  
residents and officials, working together to envision a  
revitalized downtown, by promoting our shared heritage,  
physical and natural assets and culture.
